

VINEYARD ACADEMY RULES:

We expect that all of the students in this core will act in a way that promotes excellence. This means that students will come to class both prepared to learn, and prepared to do their best. While they are in class, students will treat the classroom and everyone in it, with respect.

Vineyard Academy adheres to all Windsor High School rules including:

Cell Phones may not be seen or heard during class.

Late Work: For an excused absence, work will be accepted with a note of explanation. To receive any credit it is the student's responsibility to make-up class work, homework and tests missed due to an excused absence.

Gum may not be seen or heard. Gum must be disposed of properly.

"Prepared to learn" includes pen, pencil, paper, 1GB Flash Drive (mandatory), required classroom materials and punctuality.

VINEYARD ACADEMY FIELD TRIP EXPECTATIONS

Permission slips and money will not be accepted on the day of the field trip.

The student will dress appropriately. Vineyard Academy shirts will be worn on all field trips. No shorts or jeans unless stated ahead of time.

You, the student, will behave in an adult manner. Remember, you are representing yourself, the Vineyard Academy, Windsor High School and the Town of Windsor.

If you fail to turn in your permission slip or money by the due date (typically 1 week before trip), you will be staying behind.

Students will ride the bus to and from the field trip unless all the necessary paperwork is turned in to ride with a parent a week before the day of the field trip.

VINEYARD ACADEMY GRADING POLICY

Your grade in each individual Vineyard Academy class will determine 90% of the Semester Grade. The remaining 10% is the student's Core Grade.

Core Grades are comprised of – Student participation in field trips or alternative assignments for those staying behind; Senior and Junior Projects; and Core Projects.

Students attending field trips are required to complete an accompanying assignment. There will be no excused absences (unless accompanied by a doctor's note). We expect all students to attend the field trips to enhance their learning experience. This field trip experience and assignment will be part of their core grade.

VINEYARD ACADEMY TARDY POLICY

We will be following the Windsor High School tardy policy. Please refer to your agenda or the Windsor High School web page for more information (www.windsorhs.com)
