## **Principal's Message:**

Welcome to October....this month can feel overwhelming. Students have begun to reflect on their grades, and are chasing the next challenge; sports have moved close to post season competition; tests and trainings are beginning to pile up...and vacation seems so far away! We find ourselves beginning to reflect on how it feels to be busy. According to author Mandy Hale, "A person being; too busy; is a myth...People make time for the things that are really important to them." So as the air turns cool, and the demands pile up, we each need to ask ourselves—what do I need to make time for? And who is there, in my life, I can rely on for help? Take that time to build your priorities first. Backwards map your obligations, and explore the resources that are out there. Reach out! Have a wonderful week!

Have a wonderful week, Jaguars!

**Dear parents, teachers, and students,**

As the holiday season nears, the spirit of giving arrives and one important way to give back to your community is by feeding those in need. The WE Foundation and Windsor High School are partnering on a food drive to benefit local families in need. The drop-off location is at the Harvest Festival on the Town Green. The Harvest Festival will take place from 1-5 p.m. on Saturday, October 27. Food donation bins will be located next to the event ticketing booth. Every single donation helps, and together we hope our combined donations will make a real difference for those in need. We are asking for canned goods and dry goods that are non-perishable. Please, no glass or expired foods. Here are some suggestions:

Tuna and canned meats, peanut butter, low sodium soups and stews, whole grain rice, pasta, oats, dry beans, low sugar cereal, canned fruits and vegetables, and low sugar granola bars.

Thank you for supporting our families in need!

Sincerely,

Cameron Heid
