Phoenix Core

- Is a redesigned 9/10 Core
- *Purpose:* This is a 9/10 Core for students, looking to develop a growth mindset through:
 - Finding personal relevance
 - Building confidence
 - Growing from setbacks
 - Seeking challenges
 - Using effort and practice to grow
- Students will need to be willing to take ownership over their learning and demonstrate a willingness to:
 - Build relationships
 - Actively participate in a learning community
 - Tackle and monitor learning
 - Seek feedback
- ***Teacher recommendation for applicants required for both 9th and 10th graders***

Complete the reverse side, using complete sentences.

1. Based on the criteria above, please explain why a space should be reserved for you in the 9/10 Phoenix Core. (What do you need?) Complete sentences.....

2. Describe a time where you have demonstrated your ability to be part of a learning community. (What can you offer to the core?) Respond using complete sentences, please.

3. If you were to be selected, what specific immediate three goals would you set for yourself for the fall in the Phoenix Core. Respond using complete sentence, please.
