

WINDSOR UNIFIED SCHOOL DISTRICT
9th-11th GRADE
SUMMER SCHOOL 2018

For incoming 10th grade through incoming 12th grade
Windsor High School
8695 Windsor Road, Windsor, CA 95492

Dear Parents,

Windsor Unified School District will offer summer school direct instruction classes in English and second semester Math (Integrated Math 1, Integrated Math 2, Applied Geometry and Algebra 2). We will also be offering Odyssey online instruction courses in U.S History, World History, Biology, Earth Science and Health. Both direct instruction and online courses will be located at WHS for those students who have FAILED the course (for math, in the second semester only). Summer school will offer students an opportunity to earn credits to “catch up and keep up” their status toward graduation and college prep requirements.

The dates and times for summer school are as follow:

July 2 to July 27 (not July 4th)

Early Morning Session: 8:30 AM – 10:00 AM

Late Morning Session: 10:15 AM – 11:45 PM

A student’s class schedule will be based on availability of classes and number of sections offered. Times will be confirmed once the busing schedule is complete.

Please complete the Summer School Application for your student and return to WHS Counseling Office by **Friday, May 25th**. We will review applications and confirm your enrollment in mid- June. Transportation and food service will be available – please indicate this on your Summer School Application.

Please keep this letter for your records and return only the Registration Form to the Windsor High Counseling Center.

Sincerely,

Jessica Borland

Summer School Principal
